|-------------------|-----------------|-------------------|------------------------|--------------------|-------------------|--------------------|
|                   |                 |                   |                        |                    |                   |                    |
|                   |                 |                   |                        |                    |                   |                    |
|                   |                 |                   |                        |                    |                   |                    |
|                   |                 |                   |                        |                    |                   |                    |
|                   |                 |                   |                        |                    |                   |                    |
|                   |                 |                   |                        |                    |                   |                    |
|                   |                 |                   |                        |                    |                   |                    |
|                   |                 |                   |                        |                    |                   |                    |
|                   |                 |                   |                        |                    |                   |                    |
|                   |                 |                   |                        |                    |                   |                    |

## Fun stuff about: JULY

**DAYS:** 31

### NOTABLE HOLIDAYS:

Independence Day: July 4

### DID YOU KNOW?

Originally called Quintillis in the Roman calendar, this month's name was changed to July in honor of Julius Caesar, who was born on July 12.
