

Name _____

Solve each addition problem. Look at the key to find the correct colors for SkipperSkunk's kite. Then color his kite.

	
14 – blue	18 – orange
16 – yellow	17 – purple

Name _____

Draw a path through the maze as you skip count by 3s to 30 three times to help the leprechaun find his pot of gold.

The maze is a complex grid of paths and dead ends. The numbers are placed at various points along the paths. The leprechaun is at the bottom left, and the pot of gold is at the middle left. A dashed arrow points from the leprechaun towards the pot of gold.

Numbers in the maze: 2, 3, 4, 5, 6, 7, 9, 10, 12, 13, 15, 16, 17, 18, 19, 20, 21, 22, 24, 25, 27, 28, 30, 31, 32.
