

Name \_\_\_\_\_

Add the numbers on each balloon and draw a string from the balloon to its owner!

The balloons contain the following arithmetic problems:

- Balloon 1:  $910 + 34 + 2$
- Balloon 2:  $810 + 81 + 8$
- Balloon 3:  $520 + 46 + 1$
- Balloon 4:  $100 + 40$
- Balloon 5:  $63 + 5$
- Balloon 6:  $704 + 5$
- Balloon 7:  $615 + 2$
- Balloon 8:  $82 + 4$

The cartoon characters hold signs with the following numbers:

- Squirrel: 709
- Hedgehog: 899
- Mouse: 567
- Bear: 86
- Girl: 946
- Boy: 68
- Boy: 617
- Squirrel: 140

A string is drawn from the balloons to the characters, connecting them to their correct answers.
