Ring the fact that does not fit with the other facts:

6 + 4 = 10  10 – 4 = 6  10 – 5 = 5  7 + 4 = 11

Write another number bond to go with the three facts that represent the same total.

10. Track practice at school lasts for 18 minutes. Gino runs for 12 minutes and can watch his friends run for the rest of practice. How much time does Gino have to watch his friends?
   - 8 minutes
   - 6 minutes
   - 7 minutes
