

Teacher Training Opportunity

It will change the way you teach — and the way your students learn — mathematics!

It's a free TouchMath Teacher Training Seminar!

Event details:

Date:

Location:

Time:

Learn everything you need to know about the TouchMath Program and get a firsthand look at the unique, multisensory approach to math that has helped raise test scores in classrooms around the world since 1975. We will supply all the materials needed for a hands-on, interactive learning experience — absolutely free and yours to keep. You'll even be able to download a free set of 20 TouchMath Activity Sheets so you can get started right away!

In just one hour, you will:

- Learn how to implement the program in your classroom
- See why the TouchMath multisensory approach works for ALL students
- Discover TouchPoints, Visual Cues, and Step-By-Step Strategies
- Master teaching addition, subtraction, multiplication, and division using the TouchMath method
- Understand why experts recommend our research-based program
