

TOUCHMATH®

ALIGNMENT TO NORTH CAROLINA STANDARD COURSE OF STUDY K-8 MATHEMATICS

FIRST GRADE

TouchMath® carefully scaffolds to build understanding in four key instruction areas in first grade: (1) strategies of addition and subtraction within 20; (2) whole number relationships and place value; (3) linear measurement; and (4) geometric concepts.

TouchMath® uses a patented, research-based C-R-A approach that moves from the Concrete (manipulatives) to the Representational (numerals and pictures) to the Abstract (word problems and mathematical reasoning). The Mathematical Practices are interwoven into the activities.

TouchMath® offers added supplemental products to speed mastery – contact us for more information.
